Journal of the European Society for  
Radiotherapy and Oncology

## INFORMATION FOR AUTHORS

ARTICLES should deal with original research or reviews of topics defined in the aims of the journal. Radiotherapy and Oncology publishes original material only. It is therefore understood that the content of the paper has not previously been published in the same or a similar form and that it is not under consideration for publication elsewhere. The act of submitting a manuscript to the journal carries with it the right to publish that paper.

Radiotherapy and Oncology uses an online manuscript submission and peer review process.

Papers and correspondence should be submitted online at <http://www.ees.elsevier.com/ro> and the instructions on the site should be closely followed. Authors may submit manuscripts and track their progress to final decision. Reviewers can download manuscripts and submit their reports to the Editors electronically.
